## Scanning Proficiency

### 75-Sheet Auto Document Feeder

With the 75-page auto document feeder, the product captures single-sided documents in a single pass at speeds of up to 36 ppm, making it perfect for scanning and copying multi-page, one-sided business documents.

### Two Reading Heads Save Twice Working Time

Featuring two reading heads, the product is able to achieve two-side (front and read side) scanning in one scan, meaning the page does not need to pass through the feeder twice to save your working time.

## Advanced Scanning Capabilities

The product lets you scan paper-based documents in full color in PDF, JPEG, or TIFF file format and send them to a variety of destinations such as E-mail, FTP, USB and network folder (SMB), or direct to USB stick.
